Dear Dale,

On behalf of University of Dubuque Theological Seminary, it is my pleasure to inform you of your successful completion of our Christian Leadership course Pastoral Care for Commissioned Ruling Elders. This letter certifies that you have fulfilled course requirements and objectives as outlined by the Christian Leadership Program and course instructor; thereby awarding you four (4) continuing education units (40 hours) for this class.

We trust that you have found the course beneficial to your ministry and hope you will take advantage of additional classes at University of Dubuque Theological Seminary (UDTS). We currently offer both basic and advanced online Christian Leadership courses, which can be found by visiting our website at <http://udts.dbq.edu/academics/continuingeducation/>.

Beginning in the fall of 2016, any student who completes eight Commissioned Ruling Elder courses in the Christian Leadership Program at UDTS is eligible to receive a **Certificate in Congregational Leadership** from Dubuque Seminary. While this certificate does not carry academic credit it does provide CEUs (continuing education units), as well as demonstrates the student's educational proficiency in a variety of theological disciplines.

Students earning the certificate in a particular academic year would be eligible to participate in commencement and to formally receive their certificate during the UDTS graduation ceremony held each May. To apply for the certificate and/or participate in commencement, please fill out the application found at the following website: <http://udonline.dbq.edu/mod/page/view.php?id=301859>. In the "Quick Links" green box on the right, click on the title "**CLP Certificate in Congregational Leadership/Commencement Participation.**"

As always, thank you for choosing UDTS for your lay ministry studies. If you have any questions, please do not hesitate to contact me.

Blessings,
